## About the book

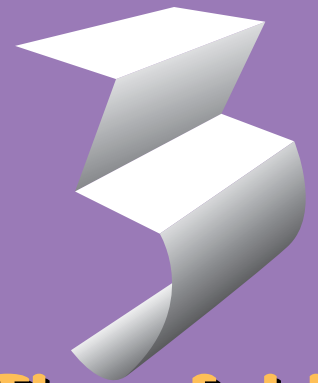

- Experience Frank Gehry's most extraordinary creations in 3D: five stunning pop-up spreads bring a selection of his most unique buildings to life through state-of-the-art paper engineering. See the Guggenheim Museum, Bilbao, or Norton House, California, rise majestically from the page. The authoritative text on this famous architect's life and career is complemented by colourful and extensive photographs, plans and drawings of all his best-known work.
- Rights Sold: Worldwide English Language.
- International co-edition rights available exclusively from Threefold.
