

WOW BOOKS

WONDERS OF MAN HOUSES OF THE WORLD

Nomadic, futuristic, hanging in the air, oceanfront, eco-friendly, hybrid, or surrounded by extreme environments... Thanks to nowadays technology, houses can take every possible shape. The Farnsworth House, the Glass House, the Fallingwater House, the Azuma House or the Malaparte villa, **HOUSES OF THE WORLD** gives an overview of the 75 most esthetical and innovative houses ever built in the world.
