With less than 30 inch and 200g it is considered all over the world as french icon. In „Baguette – a manual“ you’ll find interesting recipes as well as stories about people and their relation to the legendary bread. Author Rainer Schillings knows exactly what he is talking about as his french grand parents were fanatics about perfect baguette. Every word in this book is a declaration of love for France and the way of living there. The book is crowned by Ansgar Pudenz’ beautiful pictures of baguettes and life in Paris.

Baguette won the national price as best „First cook-book“ of the year 2010.

And 2011 in Paris: World best cookbook (Gourmand World Cookbook Awards)

Everybody knows: chocolate makes people happy. So help yourself and enjoy some luxurious sweets and desserts, served in an unexpected way. Every day can be Valentine's day. A book full of surprising views: ladies bathing in coffee cups, wearing chocolate shoes and precious golden sweets...

Author Christine Bergmayer is considered as the best patissiere in Germany and worked as second Patisserie for Harrods in London. During this time she was charged regularly to make the Queen's afternoon cakes. In the meantime she's working on her own for 5-star-hotels and restaurants in Hamburg. As developer of recipes she is writing them for Germany's biggest company „Dr. Oetker“.

50.000 different models, 5000 patents. The 350 year old history of corkscrews couldn't be more twisted. In fact it was a british invention which was first mentioned by the „Royal Society“ in 1661. A book with plenty of stories about crazy collectors and the necessity of opening bottles. The co-Author himself, Mr. Bernhard Maurer, owns Germany's only screw-pull museum and is member of international „Screw-pull Collectors Society“.

Sake

Göttlich genießen

ISBN: 978-3-942518-11-6, (D) 20 Euro

Sake

A divine pleasure

Hardcover with jacket

Size: 25,6 x 20 x 1,8 cm

Weight: 0,694 kg

Pictures: 150

Words: 15000

Retail Price (Germany): 20 Euro

Publishing Date: April 2012

Rice and water – that’s all. Unfortunately sake still hasn’t the reputation in Europe that it deserves. A book about its history, production and the pleasure of drinking ‘fluid silk’ is much needed.

Author Susanne Rost owns Germany’s leading sake importer in Berlin and together with her Japanese husband enjoys promoting high-quality sake to a wide public. The book was originally scheduled for April, but as a result of the current crisis in Japan publication has been postponed until the autumn. Proceeds from the book will go to Japanese children’s charities.

Recipes: 24

Retail Price (Germany): 20 Euro

Publishing Date: October 2011

Chestnuts have had a remarkable history over many hundreds of years, contributing to not only entrees and main courses, but also desserts, liqueurs or beer. Chestnuts are an integral part of fine cooking, a multi-talented ingredient worthy of their own book.

The recipes have been created by french chef J.-C. Brioude who knows everything there is to know about cooking with so-called 'bread from trees'. The book also tells the history of the main European chestnut-growing areas.
